No. 1.

A CERTAIN mother had three sons and much to her sorrow and discomfort they all became sailors and went to other countries and left her alone. She was complaining to a certain visitor when he noticed above the mantel-piece a beautiful picture. It represented a great vessel under full sail majestically plowing her way through the ocean's waters. Pointing to the picture he said: "That is the source of all your trouble and that is what caused your sons to follow the sea." I have faith enough in humanity to believe that if the mind of the child is directed along the line of that which is pure and good, the effect will be just as real as when the mind follows that which is evil. One of the best ways of inculcating the Christian truth and life into the mind of the child is by committing to memory choice verses of Scripture and having read to them interesting stories that are filled with Christian sentiment and truth. I believe a taste can be developed for good reading as well as for harmful reading. When the child is able to select and read for itself, its tendencies and tastes develop along certain lines; having been cultivated it will naturally follow the course that these tastes and tendencies prompt. Therefore Christian literature in the home will tend to cultivate the noblest ideals and the highest aspirations.

THE REFORMED CHURCH IN THE UNITED STATES.

THE Church traces its historical origin to the Day of Pentecost. Its first members were the disciples who had been with Christ. At first it was bitterly persecuted by Jews and Romans. By the fourth century it had come into favor with the Roman authorities. In 325 the Emperor Constantine assembled representative members in the first great general council or synod, at Nice. Persecutions sought to destroy it during the next few centuries, but it flourished in spite of them.

Its greatest peril threatened it from within. With material prosperity, power and pomp, came corruption, until the church was honeycombed with evil. Here and there, good men tried to check the spread of corruption, and to introduce reforms, but without much result, until, in 1516, Ulric Zwingli, a Roman Catholic priest in Switzerland, began preaching against the false doctrines and evil practices which had come to prevail throughout

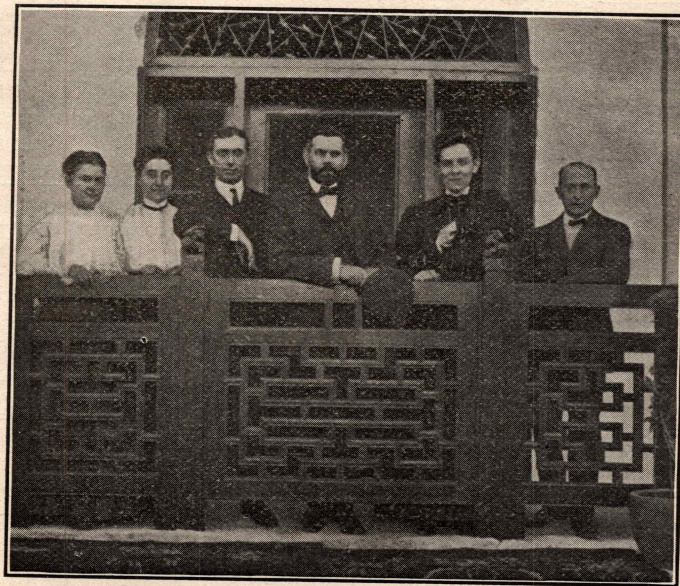

the Church. In Germany, a year later, Luther, a Catholic monk, did the same.

Through the influence of Zwingli's preaching, and that of those who sympathized with him and who followed him, the Reformation (Reformed) movement was started in Switzerland, and spread from there to Germany, and other countries of Europe. Side by side with the Lutheran Church the Reformed (or Reformation) Church gained strength. It entered Holland and France, and came to our own land early in the 18th century. Our first church was built of logs, in eastern Pennsylvania, in 1726.

Today we number about 300,000 members in the United States, with several millions of members in other parts of the world.

The Heidelberg Catechism, which was issued in Heidelberg in 1563, contains our statement of belief.

The Reformed Church is like the Presbyterian in its form of government.

OUR BOARDS.

THE executive details of our Church's general activities are in large part, in the hands of Boards, elected by the General Synod, and composed of representatives from the eight District Synods; the Board of Home Missions, the Board of Foreign Missions, the Sunday School Board, the Board of Ministerial Relief. Each of these General Synod Boards mentioned has important responsibilities resting upon it, calling for the faithful discharge of what are oftentimes arduous duties. The first three of these Boards are the most elaborately organized, each having its salaried general secretary or superintendents. In last year's Year-Book we gave group pictures of the members of these

Boards. This year we give the superintendents and secretaries. The members of these Boards do a large amount of hard work in the interest of the church at large, without remuneration.

The regular meetings of the full Boards are held annually, while their executive committees meet more frequently. At the annual meetings the work of the year is carefully reviewed, and plans for future work are discussed and adopted. In the case of the Mission Boards this involves the consideration of detailed reports from the field, and the report of general conditions. In the case of the Sunday School Board it involves a thorough examination of all the details of that Board's extensive business operations.

Our Senior Foreign Missionaries
Hoy and Moore.

OUR FOREIGN WORK.

OUR Church supports 51 foreign missionaries: 28 in Japan and 23 in China. The annual budget for both Missions amounts to \$65,000. This does not include the expenses for furloughs, buildings etc. Five additional missionaries for our Japan and China Missions in 1907! This was a good record, but it did not supply the most urgent needs. We should have two more physicians for our hospitals at Yochow and Shenchowfu. The evangelistic work in Japan will require four foreign workers if the work is not to be permanently retarded. We congratulate the Board of Foreign Missions upon its choice of the five new missionaries sent out during the past year. Since April 1, 1907, Rev. Irving G. Boydston and wife have been members of our China Mission. They came to us from the Cumberland Presbyterian Church. Both are graduates of the University at Lebanon, Tenn. They did good service at Changteh for a

period of three years before their transfer to our Mission. Changteh is a station midway between Yochow and Shenchowfu. Mr. Boydston is now located at Shenchowfu, and will assist Mr. Beck in the Boys' School. He can also render valuable service as an evangelist. Miss Edyth N. Brightbill of Baltimore, Md., was elected on July 29, 1907, as trained nurse for the Shenchowfu Hospital. She has had a unique training in that she has the experience of nursing in a general hospital, a maternity hospital, and a hospital for the eye, ear, nose, and throat. She possesses all the natural traits essential for her chosen profession. On December 31, 1906, the Board elected as teachers for the Miyagi Girls' School at Sendai, Japan, Miss Lydia A. Lindsey of Cherryvale, Kansas, and Miss Kate I. Hansen of Denver, Col. Both of these young ladies are graduates of Kansas University, and have had several years' experience in teaching. Miss Lindsey has made a specialty of Latin, German and Botany, and Miss Hansen of German, Music, and English. Both of them are young ladies of energy and enthusiasm, and will strengthen the teaching force of the school.

PRESIDENTS OF CLASSES, OHIO SYNOD.

Rev. A. D. Wolfinger, (*Miami*). Rev. Geo. Longaker, (*St. Joseph*). Rev. L. J. Rohrbaugh, (*E. Ohio*).
 Rev. E. E. Young, (*Tiffin*). Rev. O. P. Foust, (*Tuscarawas*). Rev. J. J. Gruber, (*Lancaster*).

THE IMPORTANCE OF THE CLASSIS.

WHILE the Classis is usually considered as one of our lesser ecclesiastical bodies, the simple fact is that it is one of the most important. It is the classis that comes into closest contact with the congregations and their membership. It is out of its intimate acquaintance with the actual conditions prevailing in, and the urgent needs pressing upon the congregations, that much of our most important legislation originates. It is on its floor that the clergy and laity come into close fellowship, and fullest discussion of the questions vitally affecting the life of the church. It is the classis that, more than any other body, influences and determines the financial response of the congregations to the claims of the Church's great causes. The writer knows of one classis which, by a systematic cam-

paign, running through five or six years, has brought the average *per capita* giving of its congregations almost to a one hundred *per cent* level. It lies within the power of the classis to create sentiment, and influence the attitude of congregations to a degree that no District or General Synod can hope to emulate.

Our pastors and people should clearly recognize the important place which this body occupies in our church polity, and give it due prominence. Anything like a growing indifference to the classis, and listless attendance upon its meetings would result disastrously for our work.

In recognition of this important place which the classis occupies in our church polity we devote a number of pages to group photographs of our fifty-seven classical presidents.

OUR HOME MISSION WORK.

THERE are about one hundred and eighty Missions enrolled under the three Home Mission Boards, viz., the Board of General Synod, of the German Synod of the East, and the Board of the Central and North-western Synods. There are five synods under the General Board.

The headquarters of this Board are in Philadelphia. The Board is constituted at present as follows:

President, Rev. E. R. Eschbach, D. D., Frederick, Md.

Vice-President, Rev. C. E. Miller, D. D., Tiffin, Ohio.

Secretary, Rev. Paul S. Leinbach, Easton, Pa.

Treasurer, Elder Geo. W. Stein, Annville, Pa.

The Treasurer of Church Building Fund and Attorney of the Board, Elder C. M. Boush, Esq., Meadville, Pa.

Rev. E. Vornholt, Indianapolis, Ind.

Rev. D. W. Ebbert, D. D., Carlisle, Pa.

Rev. W. C. Schaeffer, D. D., Lancaster, Pa.

Elder H. F. Texter, Wilkinsburg, Pa.

Rev. E. R. Williard D. D., Akron, O.

The missions of these Boards are found as far east as the New England States, and westward to Manitoba. Important work for the emigrant is being done through the station at Ellis Island, and our Hungarian and Bohemian Missions, and a helpful Indian mission is being vigorously carried forward.

Our Home Mission Work. (Continued.)

The "Church-Building Fund" feature of the Board's activity has proved of inestimable value in establishing new missions. We have mission stations among the Winnebago Indians, at Black River Falls, Wisconsin, which have been supported, for nearly a third of a century, by Sheboygan Classis. Rev. J. Hauser began the work. The missionary now carrying it on is Rev. J. Stucki.

Revs. Dr. D. A. Souders, Dr. D. S. Fouse, and A. C. Whitmer are the District Superintendents.

Many congregations which are today among the strongest in the Reformed Church were originally missions, and are eloquent witnesses to the value and incalculable importance of this branch of our general church work.

OUR ORGANIZED SUNDAY SCHOOL WORK.

THE individual Sunday School, like the individual in the home, is dependant upon others. There are some things which a school cannot well do for itself. Its success often depends upon the help it receives and the close relation it sustains to other Sunday Schools. The Church at large must extend help and stimulus, and afford opportunities for the local church to do its best work. The general, or the organized Sunday School work of a denomination is intended to render assistance to the local school, and to be the medium through which the local school does a larger work. For instance, the Lesson Helps, the Maps, and the great variety of Sunday School appliances and supplies are furnished by the church at large, through the

Sunday School Board of the General Synod. Periodicals are published for every grade of the school,—the chief of which is The Heidelberg Leaves of Light, are for the older scholars, with Sunshine for the little children.

To help classes in our schools to organize and do better work, the Home Department Quarterly, this new year, has been enlarged, and is now known as The Home Department Quarterly and Adult Class Magazine. It is invaluable to members of Bible classes.

How helpless the individual School would be in improved methods of work, in grading the School, in Supplemental Lessons, and Manuals for Teacher Training if the church did not furnish Helps.

SOME OF OUR SUCCESSFUL SUNDAY SCHOOL SUPERINTENDENTS.

H. E. Paisley, (*Trinity, Phila.*). J. B. Wireback, (*Heidelberg, Phila.*). W. J. Frank, (*Grace, Akron, O.*).

OUR ORGANIZED SUNDAY SCHOOL WORK.

(Concluded.)

Another invaluable service rendered to the local school is the opportunity afforded to contribute once a year, on Children's Day, to the general Sunday School, Missionary and Educational Work. The combined offerings are used to start new schools, publish Sunday School literature, and to aid weak and destitute schools.

To do this varied work the Board has three departments, viz., the Business and Editorial Department, whose volume of business is constantly increasing—last year the sales aggregated over \$68,000, and more than 75,000 pounds of paper were used in the various papers and periodicals; — and the Sunday School, Missionary, and Educational Depart-

ment, which furnishes the Children's Day Services free to our schools, and helps in the improvement and extension of our Reformed Schools.

The most notable item of progress in the Board's work last year has been the erection of the Reformed Church Building in Philadelphia.

The officers of the Sunday School Board are Rev. Dr. C. Clever, President, Hagerstown, Md., Rev. Dr. C. F. Kriete, Louisville, Ky., Vice-President, Rev. Dr. D. B. Lady, Duquesne, Pa., Recording Secretary, Rev. Dr. J. H. Bomberger, Cleveland, O., Treasurer, and General Secretary Rufus W. Miller, Fifteenth and Race Streets, Philadelphia, Pa.

Trinity Church, McCutchen, Ohio.

This congregation, of which Rev. J. B. Rust, Ph. D. is pastor, was organized on March 28th, 1906. The corner-stone of their handsome church was laid on August 6th of that year. The church was dedicated with elaborate services, on May 19, 1907. It is 50 x 72 feet; includes a spacious auditorium and Sunday School room, and is attractively furnished in red oak.

OUR CHURCH BUILDING FUNDS.

ONE great help in our home missionary work today is the loan-plan, commonly introduced just twenty-two years ago. We had always helped our missions in building their churches, but always in a lame and unsatisfactory way. The missionary himself had to gather the money, at a large cost of time and strength and the money helped only that one congregation.

But in 1886 the Board of Missions found a better way, namely, to gather the money in advance and loan it to the mission, making it serve a hundred churches.

The plan adopted was as follows: Each Fund must be at least \$500; loaned only to missions under the care of the Board; loaned only on first mortgage, at low interest, on easy payments and for a period of about ten years.

This loan-plan, based on accepted business principles, soon won the confidence of our people and today is very popular.

Very naturally our Church-building Funds have steadily grown to large proportions. At first they came slowly, because not well known, but now thousands of even young people understand their usefulness, and it is not

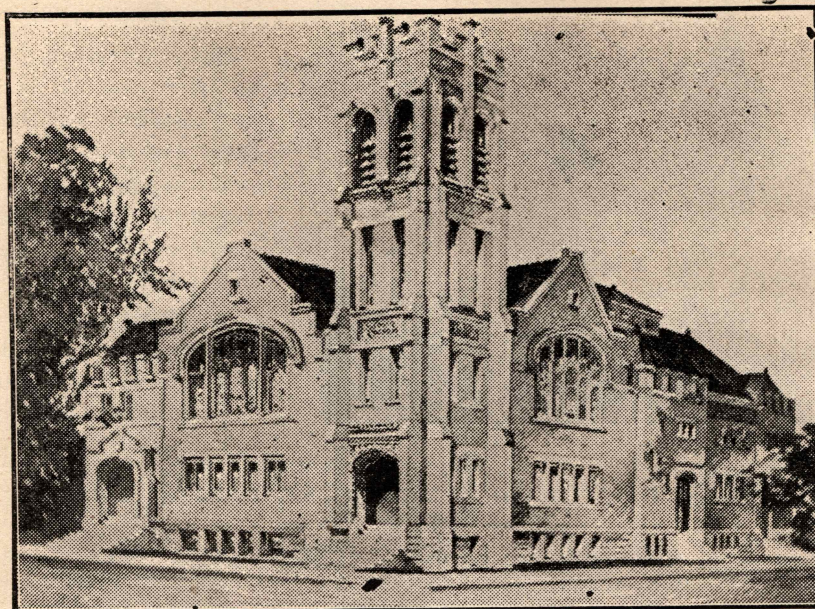

surprising that considerably over two hundred of these Funds are now on record.

Not only is the plan simple and safe, but also each Fund does its work again and again. Many have been paid back and loaned a second time, indeed in a few cases loaned even a third time. These things have commended this loan-plan to our people and it has become deservedly popular.

Another thing. These Funds are a beautiful memorial. Each bears the name of the person giving it, or the name of some loved one, and so becomes a precious monument; and what greatly adds to its value is the fact that it is an abiding memorial. Marble and even granite will perish, but a Church-building Fund will last for ages.

Most of our Funds have been given by the living, but many have come as legacies. Some persons cannot spare \$500 in lifetime, and so they write in their will: "I give and bequeath to the Board of Home Missions of the Reformed Church in the United States the sum of hundred dollars, for a Church-building Fund;" and this beautiful memorial abides, and the giver, looking down from the heavenly world, sees his work following him.

WORK AMONG FOREIGNERS.

THOUSANDS of foreigners enter our country every day. Many of these immigrants are not members of our Church, some are indifferent, and others are openly opposed to the religion which is dear to us and to the institutions which we love. In self-defense as well as for the sake of our children and for the love of Christ, it is important that we should do mission work among them. Others come to this country

from Europe having the same faith which our fathers had when they came here. It is our privilege to welcome and gather these people. We can especially help the Germans, the Hungarians and the Bohemians. We are

helping these people in our Home Mission work, first through our Harbor Missionary when they enter New York, and then by assisting them in building churches and organizing congregations.

Rev. E. G. Klotz.

CHRISTIAN ENDEAVOR SOCIETIES.

WHO can adequately estimate the good work which has been done among young people, and for the Kingdom, by the agency of the Christian Endeavor movement? Take but one item from the report of the past year's work, that concerning the number of members who publicly confessed Christ by uniting with His church. There were about

225,000 of them in the United States alone. These societies gave \$4,378,920 during the last two years for missions and other benevolent objects. There are at present more than 69,000 societies with nearly 3,500,000 members, in more than sixty denominations. Christian Endeavor literature is printed in eighty languages.

THE BOYS' SCHOOL BUILDING, LAKESIDE, HUNAN, CHINA.

Our new Boys' School buildings at Lakeside, four miles from Yochow, are a wonder in that part of China. Dr. W. E. Hoy was the architect and the contractor. The buildings are all of brick. Large verandas on the four sides will help in keeping the rooms cooler in hot weather. The cost of this splendid plant is cause for rejoicing. Those who have seen the buildings can hardly believe it possible that so much was done with so little money. Here are the facts, and they speak louder than words:

Hoffman Hall	\$3,346.16
Recitation Hall	3,032.16
Dining-room and Gymnasium	1,355.36
Kitchen, Store-rooms, etc....	439.01
Bathrooms, Barbershops, etc..	555.10
The 13 acres of ground cost.....	631.34
Pittsburg Synod Miss. Residence ...	1,500.00

Total\$10,859.13

The Lakeside School will need your help from time to time. The present needs are several missionary residences, a chapel, and general funds for improvements. Let the Lakeside School take a new hold upon your hearts, and give them your prayers and gifts. The Hoffman Hall was made possible by a gift of \$3,000 from Mr. George W. and Agnes Hoffman. What a beautiful memorial of love and generosity for Christ and His cause in China! Such deeds are a living

word and a pure gospel of life. Who will do for the Girls' School at Yochow what these aged friends have done for the Boys' School at Lakeside? Do not make the Chinese girls wait too long. They need a Christian training now.

Teacher, Sendai, Japan Girls' School.

SCHILL'S NEW IDEA FURNACE

Manufactured by

THE SCHILL BROS. COMPANY,
CRESTLINE, OHIO.

If interested in Sanitary Heating, you
should not fail to investigate.

Read what Rev. H. O. Jorris, Pastor Ref. Church has to say:

CRESTLINE, O., March 26, 1908.

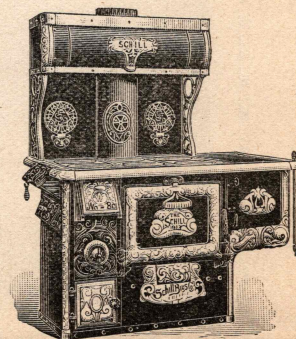

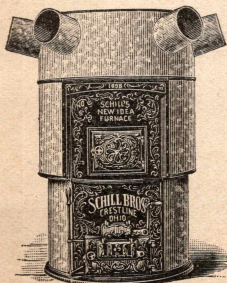

GENTLEMEN: The two large size furnaces which were placed in our new church last fall, have been put to a severe test last winter, but, am glad to say, were not found wanting. They have done the work exceedingly well. How could it be otherwise? An article made by men of superior qualifications and character, such as Schill Bros. are, must necessarily be of superior quality.

Yours sincerely

H. O. JORRIS.

THE GREATEST OF ALL MUSICAL INVENTIONS—THE TWO HORN

DUPLIX

PHONOGRAPH

**FREE
TRIAL**

**FREIGHT
PREPAID**

IT is the one phonograph that gives you all the sound vibrations. It has not only two horns, but two vibrating diaphragms in its sound box.

Other phonographs have one diaphragm and one horn. The Duplex gets all the volume of music; other phonographs get the half. Not only do you get more volume, but you get a better tone—clearer, sweeter, more like the original. Our

FREE CATALOGUE

will explain fully the superiority of The Duplex. Don't allow any one to persuade you to buy any other make without first sending for our catalogue.

Save all the Dealers' 70% Profits

The Duplex is not sold by dealers or in stores. We are Actual Manufacturers, not jobbers, and sell only direct from our factory to the user, eliminating all middlemen's profits. That is why we are able to manufacture and deliver the best phonograph made for less than one-third what dealers ask for other makes not so good.

DUPLIX PHONOGRAPH Co., 287 Patterson St., Kalamazoo, Mich.

Each horn is 30 in. long with 17 in. bell. Cabinet 18 in. x 14 in. x 10 in.

NO MONEY DOWN Seven Days' Free Trial

We will allow seven days' free trial in your own home in which to decide whether you wish to keep it. If the machine does not make good our every claim—volume, quality, saving, satisfaction—just send it back. We'll

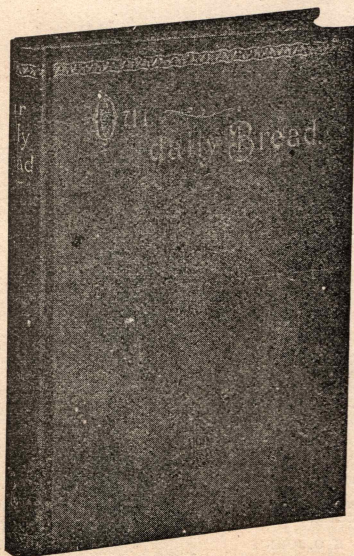

pay all freight charges both ways.

All the Latest Improvements

The Duplex is equipped with a mechanical feed that relieves the record of all the destructive work of propelling the reproducer across its surface. The needle point is held in continuous contact with the inner (which is the more accurate) wall of the sound wave groove, thus reproducing more perfectly whatever music was put into the record when it was made.

The Duplex has a device by which the weight of the reproducer upon the record may be regulated to suit the needs of the occasion, thus greatly preserving the life and durability of the records. These are exclusive features of the Duplex and can not be had upon any other make of phonograph. Plays all sizes and makes of disc records.

Our Free Catalogue explains everything.
